

KANGAROO VALLEY

Many of you who visit us frequently will know that we have planned and schemed about a new pool and spa to cater for the 32 guests we can now accommodate here at Banksia Park.

Well! Firstly we had to travel around Australia to find a suitable name and design (that was in 2006). We had a great time, learned a lot and hit on 'the Billabong' as the perfect name. After much toil and soil, at long last we are ready to open the Billabong pool and spa for our guests. We've already had a few celebrity functions leading up to this auspicious occasion, one being our daughter Katie's 13th birthday. While the pool was installed in July, it's been the landscaping that has taken the time, but I know you'll think it's a job well done!! Or words to that effect!!

VACANCIES

Whilst New Year's eve is booked out, we do have some cottages vacant leading up to Xmas and after Jan 4. If you've put off making holiday plans, it's not too late to come to Banksia Park just 2 hours from Sydney and Canberra, where self contained accommodation and unbelievable Kids playgrounds mean you don't have to spend a penny more than accommodation and food.

Call Alison NOW to book for December and January and receive a complementary Indulgence pack of local product on arrival
